Notes			
Customer No.	(Space used by ULVAC)		

- After filling in the required items, place a check in the appropriate box and forward the form by fax to the number shown below.
- Should a replacement unit be necessary during servicing, a schedule will be forwarded to you at a later date. Please indicate the desired dates in the Notes space provided. Due to the SI units system on the product earlier, please select either Pa or Torr for the replacement unit. This is done by checking the appropriate box for the desired pressure unit.
- Please contact our GI-TL3/GI-TL3RY Complimentary Repair Service Desk at the e-mail address below should you have any questions concerning the information required in this form.

Request

Before shipping the unit to our service center, please make a photocopy of the front page of this GI-TL3/GI-TL3RY Complimentary Repair Service Format and include it together with the unit. Please contact us at the e-mail address below if you have any questions regarding the matter.
