

Dear customers,

April 2025

## ULVAC Components News

### Sales Termination

Please be informed that following product will stop selling.  
However, maintenance and sales of consumable parts will be continuously provided in future.

– Details –

1. Object model

High-frequency power supply (RF power supply) RFS-03D

2. Sales termination date

18 April 2025

3. Conservative service operation period

5 years after sales termination.

Regarding after-sales service for existing products, we have in place a system that allows repairs for a period of 5 years from the date of the final order, but there may be cases where the consumption of maintenance parts is higher than expected, or even within the maintenance period due to discontinuation of the production of parts.

We may not be able to accommodate your request.

4. Succeeding model

Integrated matching box high frequency power supply (RF power supply) RMG-1303
