- Details -

【Products】

Vacuum Transfer Robot COVOT-LC Series

【Production end date】

18 December 2024

【Scheduled sales end date】

Same day as production end date. In addition, sales will be discontinued as soon as parts and other items are out of stock, even before production ends.

【Maintenance service period】

7 years after production termination.

【Other】

Regarding after-sales service for existing products, we have in place a system that allows repairs for a period of 7 years from the date of the final order, but there may be cases where the consumption of maintenance parts is higher than expected, or even within the maintenance period due to discontinuation of the production of parts. We may not be able to accommodate your request. Please note that maintenance will be handled by ULVAC TECHNO CO., LTD., so please contact us for details.
